Objective

Motivated Computer Science Engineering student with hands-on experience in full stack web development. Skilled in building responsive and user-friendly web applications using modern technologies. Strong foundation in problem-solving and UI/UX design, with the ability to adapt quickly and contribute effectively in team environments.

Education

PERI Institute Of Technology, Chennai

2023-2027(Pursuing)

B.E-Computer Science And Engineering – Cgpa-8.07

Technical Skills

Programming Languages: Python, JavaScript | **Basic:** C, C++

Frontend: HTML, CSS

Backend: Django

Database: SQL

Design: UI&UX

Tools: Git, GitHub, VS Code, Figma

Projects

E-Commerce Website

- Developed a responsive e-commerce website using HTML, CSS, JavaScript and Django.
- Implemented user authentication, product catalog, cart and order management.
- I learned **HTML, CSS, Django, SQL, authentication and e-commerce functionality** skills.
- Integrated a SQL database to efficiently manage products, users and customer orders.

Paddy Profit & Loss Management System

- Developed a Django-based application to track paddy farming expenses and income.
- Implemented secure user registration and login to manage farmer-specific records.
- I learned **Django, python, SQL, CRUD operation and financial data management** skills.
- Added daily expense and harvest/income tracking with automated profit and loss calculation.

Portfolio Website

- Developed a responsive personal portfolio website using HTML, CSS and JavaScript.
- Implemented modern UI/UX principles to provide an attractive and user-friendly experience.
- Integrated dedicated sections for projects, technical skills, certifications and contact details.
- I learned **HTML, CSS, JavaScript, responsive design and UI/UX development** skills.

Experience

Full Stack Web Development Intern – JYESTA Corporate Entity

Oct 2025 – Dec 2025

- Developed and **enhanced responsive web applications** using HTML, CSS, JavaScript, Python and Django.
- Worked with **SQL database, including data storage, retrieval and CRUD operations**.
- Gained Practical experience in **frontend, backend integration, debugging and Git/GitHub version control**.

Full Stack Development Intern – Code Alpha

July 2026 – Aug 2026

- Developed and **enhanced responsive web applications** using HTML, CSS, JavaScript, Python and Django.
- Successfully completed assigned web development tasks and project.
- Gained practical experience in **front-end, back-end development, debugging and problem-solving**.

Certification

- Full Stack Web Development – JYESTA Corporate Entity
- Responsive Web Design – Free Code Camp
- JavaScript - Free Code Camp
- Python, SQL – Skill rack
- Full Stack Development – Code Alpha
- Artificial Intelligence Workshop – VEI Technologies
